

# Metalinguistic Disagreement Detection Study: Consent Form

---

Please read the following statements and indicate your agreement by signing at the bottom of this form.

- 1. I confirm that I have read and understood the information sheet for this study. I have had the opportunity to consider the information, ask questions, and have had these answered satisfactorily.
- 2. I confirm that I am fluent in English and have not taken part in any initial pilot version of this study.
- 3. I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason, without any consequence to myself.
- 4. I understand that I can withdraw my data from the study up until two weeks after my registration, by contacting the research team via email.
- 5. I understand that all information I provide will be kept confidential and anonymous, and that no personally identifiable information will be collected or associated with my responses.
- 6. I agree that the anonymized data collected from me may be used in research publications, presentations, and future research projects.
- 7. I understand that this study involves annotating 20 pairs of Wikipedia summaries and related statements, and that I will be asked to indicate any disagreements and specify their nature.
- 8. I agree to participate in this study as described in the information sheet.

By signing below, I indicate my voluntary agreement to participate in this research study:

Name: \_\_\_\_\_

Signature: \_\_\_\_\_

Date: \_\_\_\_\_

Unique Identifier (to be filled by researcher): \_\_\_\_\_
